AT THE THEATERS

Typical mid-week audiences attend-
ed the down-town theaters last even-
ing. Houses were good, although
here was nothing like overcrowding
anywhere. The Park and the Art
probably led in the matter of attend-
ances, but the others had good busi-
ness.

PARK TONIGHT.

In addition to an excellent Wild
West picture scheme, the Park will
tonight display a feature film entitled
"The Park of Casserta." This is one
of the most beautiful parks in the
world and the series of pictures were
taken by special permission of the
King of Italy, to whom the place be-
longs. One of the latest and best
comedies will also be shown. The
Demonds and Thompson will appear
in a laughable sketch and Carl Wal-
ner will have new specialties.

AT THE EMPIRE.

Manager Overend received a big lot
of new and exclusive films by today's
steamer and is selecting an exception-
ally fine program for his patrons this
evening. Royal, Elliott and Forrest
will again appear in their splendid
specialties.

THE NEW ORPHEUM.

The big Casino Musical Comedy
Company arrived in the Sierra this
morning, as noted elsewhere in this
issue and will appear for the first
time at the new Orpheum, Monday
evening. Their opening card will be
"The Telephone Girl." The box office
is already open.

AT THE NOVELTY.

At the Novelty tonight will be seen
for the first time here Orton and
Leota. They present twenty minutes
of singing and talking that keeps the
audience in a continual uproar of
laughter. Miss Leota will wear some
stunning gowns, which alone are a
feature that will prove a strong at-
traction for the ladies. Her ward-
robe is undoubtedly the most gorge-
ous that has ever been seen here in
vaudeville. Their songs and
stories are new and pleasing and the
act as a whole is excellent and worth
seeing.

THE COLONEL'S ADVICE
TO JOHN BULL.

Of course it was somewhat humili-
ating to British pride to discover that
Teddy learned in a few minutes in
Egypt what England had not been able
to find out in a century.—Springfield
Union.

The English people should be grate-
ful for such a testimony of their
achievement in Egypt, and should
take to heart with all seri-
ousness the warning which Col. Roo-
sevelt so impressively delivered.—
Buffalo Evening News.

That the English papers regard Roo-
sevelt's speech as a joke gives the lie
to that tradition that our trans-
atlantic cousins cannot see one.—
Pittsburg Dispatch.

Mr. Roosevelt received the freedom
of the city of London, and on the
same day he proceeded to make what
the Londoners think rather free use
of his freedom.—Portland Press.

T. R. has roused the English, and
they are calling him a meddler and
other things. That varies the mono-
tony of things a bit, anyway. St.
Joseph News-Press.

Well, Mr. Roosevelt ought to know
something about Egypt. He has been
there, and some of his hearers never
were there.—Brooklyn Standard-
Union.

THE ANNOYING COUGH.

FEDERAL JOBS
FOR FIT PERSONS

An examination of applicants will
be held at the Naval Station, Hawaii,
Honolulu, T. H., June 30, 1910, or as
soon thereafter as practicable, for
the purpose of establishing an eligible
register of subinspectors (dredging)
at \$3.60 per diem.

This is under an order of the Navy
Department.

Applications will be addressed to
the "Commandant, Naval Station, Ha-
waii, Honolulu, T. H.," and must be
delivered to him on or before Tues-
day, June 28, 1910. No application re-
ceived after that date will be consid-
ered.

SOCIALISM.

The President's warning against so-
cialism, as a growth in this country
demanding attention, is not over-
drawn, and comes none too soon.
What recently occurred in Milwaukee
may occur elsewhere. Socialism as at
present expounded is attractive to the
immature, the restless and the disap-
pointed. Every exposure of graft in
office is laid at the door of what is
called the "old system," and an argu-
ment follows that "the new sys-
tem"—socialism—would cure the evil.
Isms relating to politics command al-
most as ready a hearing as those re-
lating to religion.—Washington Star.

WHY BOTHER ABOUT IT.

"Do you think a man who will ne-
glect his business to go to baseball
games is of sound mind?"
"Oh, come, let's be optimistic. I
can't believe everybody's crazy."—
Chicago Record Herald.

WORTH
MOUNTAINS
OF GOLD

During Change of Life,
says Mrs. Chas. Barclay

Graniteville, Vt.—"I was passing
through the Change of Life and suffered
from nervousness
and other annoying
symptoms, and I
can truly say that
Lydia E. Pinkham's
Vegetable Compound
has proved worth
mountains of
gold to me, as it
restored my health
and strength. I
never forget to tell
my friends what
Lydia E. Pinkham's
Vegetable Compound
has done for me
during this trying period. Complete
restoration to health means so much
to me that for the sake of other suffer-
ing women I am willing to make my
trouble public so you may publish
this letter."—Mrs. CHAS. BARCLAY,
R.F.D., Graniteville, Vt.

No other medicine for woman's ills
has received such wide-spread and un-
qualified endorsement. No other med-
icine we know of has such a record
of cures of female ills as has Lydia E.
Pinkham's Vegetable Compound.

For more than 30 years it has been
curing female complaints such as
inflammation, ulceration, local weak-
nesses, fibroid tumors, irregularities,
periodic pains, backache, indigestion
and nervous prostration, and it is
unequalled for carrying women safely
through the period of change of life.
It costs but little to try Lydia E.
Pinkham's Vegetable Compound, and,
as Mrs. Barclay says, it is "worth moun-
tains of gold" to suffering women.

MORE THAN A MERE IDEA.

what became of your dog?

Hecklam—Have I? You just bet I
have! When pork chops, hams,
go up 5 cents a pound and the price
of sausage isn't changed—well, I've
got more than a mere idea.—Chicago

THURSTON TO HILO.

It is stated that in view of the ex-
tensions of the Hilo railway now in
progress, L. A. Thurston, who is presi-
dent and acting manager in the
absence of B. F. Dillingham,
may take up a temporary
residence in Hilo, remaining there
until the return of Mr. Dillingham
from Europe the last of the year.

Consider

How many steps an ELECTRIC IRON
will save you when sewing.

Instead of taking a garment down to
the hot stove to be pressed, you can have the
iron right in the sewing room and do the
pressing there.

It will save many steps and much
time and enable the sewing to go on with-
out interruption, for the iron will be ready
for use as often as you need it.
